

JOHN WOOD CC

Trail Blazers

The JOHN WOOD COMMUNITY COLLEGE MEN'S TRAIL BLAZER BASKETBALL TEAM is extremely excited about the 14-15 season. Our guys are preparing themselves to reach all of their individual and our team goals. Coming off three straight 22+ win seasons and last year's trip back to the National Tournament, we are excited to start a new journey with a new group of puzzle pieces.

As most programs, we are searching for ways to fund the experience that we provide for our young men. We have opportunities outside of our institutional budget that enable to stay competitive while providing the chance for our guys to learn and grow.

'SUPPORT'

Objectives

As a financial supporter of our program, you will be able to:

- 1) Assist in the financial support of our basketball program and resources for the student-athletes
- 2) Actively participate with weekly team updates and information
- 3) Invited to pre-game, post-season activities, and special events.

- I am not interested in the options above but would like to make a contribution to the Men's Basketball Program. \$ _____

TOTAL PAYMENT \$ _____

***Payment by Credit Card is possible. Please contact the JW Athletic Office (217-641-4976) for details.**

SUPPORT OPPORTUNITIES

We have a couple of specific opportunities and an opportunity to become a member of the Blazer Club, providing general support to the program. We hope you consider being involved.

"BLAZER TEAM BUILDING" \$750

*Per NJCAA policy, we are now allowed to pay for a one-day team building event. We are planning on doing that off campus at a location that can provide a great experience. High ropes course, team building activities, and problem solving exercises will play a role for the all day event. Since this is a new allowable expense, we are looking for a sponsor for the day. With transportation, meals, and fees, the cost will be \$750. **Would you help us build a team?***

"BLAZER MEALS" \$200/ meal

*We are looking for a total of six (6) meal sponsorships. Each would be pre-game meals during one of the four Classics that we will participate in. Three on the road and one at HOME—it will enable us to provide a quality meal during four long weekends for our program and our team. **Would you consider fueling us for performance?***

"BLAZER CLUB" \$30- \$100/ year

We invite you to be a part of the 'Blazer Club'. The 'Blazer Club' includes different levels of membership that includes season tickets, email updates following games, and single game tickets. Visit johnwoodblazers.com for more information or contact our office for a description of the Blazer Club!

Matching Gifts by your company are welcomed and accepted. Please contact our office for more information!

TRAIL BLAZER BASKETBALL

Men's basketball

"Region XXIV and the Mid West Athletic Conference will once again be the premier league at our level in the country. After reaching the Region title game in 2013, we were fortunate to win the Mid West Athletic Conference championship, the Region XXIV tournament championship, and advance to the National Tournament at the end of the 2014 season. I feel confident we are on the cusp of building something special—not necessarily in wins and losses—but in the experiences and growth that our young men can experience. We are excited and I hope you can help.

-Coach Brad Hoyt, Head Coach
