

# GO TRAIL BLAZERS

## Dear Blazer Basketball Supporter:

We are extremely excited about the 2017-18 season. We are working with a group of guys that are committed to adding value to our community, our college, and our program. With 6 of the past 7 seasons reaching the 19-win plateau (with 5 of those reaching the 22 win mark) and our recent success in the Region and National Tournament, we are working very hard to grow into a product that can recapture that success.

As most programs, we are searching for ways to fund the experience that we provide for our young men. We constantly search for ways to connect alumni, supporters, and families to our program—as well as fund a portion of the experiences we hope to provide. One of those opportunities is our **BLAZER CLUB**. Members of our **BLAZER CLUB** assist our program in so many ways—with the ultimate goal of providing the proper experience for our student-athletes.

Thank you for your consideration.

*“Region XXIV and the Mid West Athletic Conference will once again be the premier league at our level in the country. After reaching the Region XXIV title game in three consecutive years, then stumbling during the past two seasons, most recently with last year’s exit in the Region Semi Finals, we understand the work that needs to be accomplished. Having the opportunity to play in the 2015 National Championship Game was an experience that we strive to replicate. We hope you are willing to help us bridge our final gap. I feel confident we are on the cusp of building something special—not necessarily in only wins and losses—but in the experiences and growth that our young men can experience.*

*That is cool and I hope you can help.*

### Matching Gifts Accepted

Companies throughout the country match gifts of their employees to educational institutions like John Wood Community College. Matching gifts often double the amount of support. Please check with your company to see if you can take advantage of this program. In order to complete a match, a form from your employer must be sent with your gift.
